

Dear all,

**International E-Conference on  
Threat of new and re-emerging infections: Role of novel tools and technologies to face challenges  
30<sup>th</sup> Annual Scientific Sessions of the Sri Lanka College of Microbiologists  
held in collaboration with The Ohio State University, USA  
25<sup>th</sup> and 26<sup>th</sup> August 2021**

The 30<sup>th</sup> Annual Scientific Sessions of the Sri Lanka College of Microbiologists 2021, will be held as an International Conference under the theme “*Threat of new and re-emerging infections: Role of novel tools and technologies to face challenges*” in collaboration with the Ohio State University, USA

This year we plan to have the event as a **VIRTUAL** due to the prevailing situation. The inauguration is planned as a hybrid event as per government regulations that will operate at that time and the rest as web based scientific sessions, which will be open to both local and foreign participants. The event is scheduled to be held from **24<sup>th</sup> to 26<sup>th</sup> August 2021**.

Please note that **pre-registration for the Conference will be closed on 20<sup>th</sup> August 2021**.

**Details for Overseas Participants Online registration**  
(*Online participation*)

<b>type</b>	<b>Fee</b>
